THE PROPAGANDA OF THE SODOMITES ADVANCES

"And he brake down the houses of the sodomites, that were by the house of the LORD," 2 Kings 23:7.

I have been prompted to pen this little article by the BBC mounting yet another news feature 'promoting' sodomy and giving a platform to those who wickedly claim that they are 'Christian' sodomites.

Young, gay and Christian

If you are a young Christian in the UK, coming out can pose extra challenges.

While some churches offer acceptance, others show hostility. It's down to different interpretations of the Bible.

Meet Aiko and David who both identify as Bible-believing, gay Christians, but who are walking very different paths.

The BBC article does not accurately give the Bible-believer's answer to such a claim as might be expected, given that the BBC is an ungodly organisation which has no allegiance to God and His Truth.

The evidence put forth for 'sodomite Christianity' is based simply on the declaration made by those that claim they are both 'gay and Christian'!

That, to say the least, is rather a tenuous foundation upon which to stake the genuineness of this assertion. After all, Judas would have claimed to have been a follower of Christ! So too did Simon (Magus), Acts 8. There have been millions of individuals who have claimed to have been 'true believers' since the Fall of Adam. However, simply to make such a claim is not sufficient evidence upon which to accept such a person as a Christian.

No, there must be evidence that the person is a Christian. The Lord clearly tell us what the evidence is.

"Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new," 2 Corinthians 5:17.

There are those within the camp of 'sodomite Christianity', who, in order to give some measure of warranty to their claim of being a 'Christian', state that they are 'celibate' and do not engage in acts of sodomy. They would assert that it is acceptable to have the 'wicked inclinations' of a sodomite as long as such inclinations are not acted upon!

This is entirely wrong and is a subtle lie of the devil! Sinful inclinations, even when not acted upon, are deemed sinful in the eyes of God.

In Genesis 6:5, there is a verse that teaches us an important truth regarding this issue. "And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually."

Please note that the 'imagination' and 'the thoughts of his heart' of those of that generation were evil. Before the 'thought' or the 'imagination' became an act, it was evil in God's eyes.

The 'gay Christian' claims that one can have such thoughts and as long as you don't act upon them, you are not offending God or holding to that which is contrary to a true Christian profession!

How dreadfully wrong they are! That which they call good and acceptable God calls 'evil continually'!

This whole delusion which has overtaken the professing Church, even deceiving some true believers, is a latter-day deceit of the devil which will result in the damnation of myriads.

The 'gay Christian' claims that his/her inclinations and his/her propensity toward sodomy, are not in themselves sinful. It is only when they are acted upon that they become sin. Some sodomites have even complained that they have been told they are not 'gay' because they do not engage in sodomite activity!

That vexes them!!!

They want to be known as sodomites because of their 'inherent impulses'. **Click here** for a video that sets forth their warped opinions.

WHAT IS THAT WHICH IS BORN OF THE FLESH?

Paul the apostle defined the impulses that emanate from our old depraved nature.

"For I know that in me (that is, in my flesh,) dwelleth no good thing: for to will is present with me; but how to perform that which is good I find not. For the good that I would I do not: but the evil which I would not, that I do. Now if I do that I would not, it is no more I that do it, but sin that dwelleth in me. I find then a law, that, when I would do good, evil is present with me. For I delight in the law of God after the inward man: but I see another law in my members, warring against the law of my mind, and bringing me into captivity to the law of sin which is in my members. O wretched man that I am! who shall deliver me from the body of this death? I thank God through Jesus Christ our Lord. So then with the mind I myself serve the law of God; but with the flesh the law of sin," Romans 7:18-25.

The gist of what Paul is saying is :

1. The flesh is utterly corrupt. That which comes of it can only be sinful. The sodomite's appetites are of the flesh. The 'gay Christian' had them before their professed 'conversion'. Those inclinations did not become 'holy' upon their 'profession' but they are what they always were, SINFUL.

2. The flesh produces that which is in total conflict with God and His will. Those 'gay Christians' who seek to justify their claim to being a Christian by saying they do not yield to these desires, actually condemn themselves by defining themselves by these desires. They are 'gay' because of these desires, but they are 'Christian' because they do not yield to these desires! They say that to have such desires is totally in keeping with the profession of faith in Christ, as long as they refuse to yield to them.

That is not so. These desires are of the flesh and utterly ungodly. To define yourself by such inclinations and say that you are 'gay' because of these desires, is to condemn yourself as ungodly.

3. These evil lustings of the flesh are only overcome in the life of one who has been born again and has received a 'new nature'. "O wretched man that I am! who shall deliver me from the body of this death? I thank God through Jesus Christ our Lord." Peter sets forth the same truth. "Whereby are given unto us exceeding great and precious promises: that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust," 2 Peter 1:4. The sodomite can only 'escape' the corruptions that have dominated and defined him/her by becoming 'partakers of the divine nature.' This experience is elsewhere defined as the 'new birth' (John 3:3) or 'becoming a new creature' (2 Corinthians 5:17).

In 1 Corinthians 6:9-11 we read:

"Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God. And such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God."

These members of the Corinthian Church, who had been adulterers, or effeminate, or abusers of themselves with mankind, received a complete deliverance from the deeds and the inclinations that once marked their lives. That being so, they did not consider themselves still 'gay Christians' who held in check the sodomite inclinations which rose still within their hearts, but men and women completely delivered from such wicked-

ness. They were like the former drunkards, thieves, idolaters and revilers who had been delivered from their sins. They considered these evil impulses were gone forever by the grace of God. The church in Corinth was not made up of 'effeminate Christians', 'abusers of themselves with mankind Christians', 'idolatrous Christians', 'drunkard Christians' or 'thieving Christians', still harbouring the old lusts that had dominated them in their former, pre-Christian life!

No they were sinners saved by the grace of God from whatever form of wickedness had ruled their previous life.

It must be stressed again and again that those who harbour sodomite inclinations are sodomites and as such shall not 'inherit the kingdom of God', but rather go to the eternal burnings of God judgment.

So says the Word of the Lord!

The verse at the beginning of this article highlights the fact that sodomites have long sought to infiltrate the 'house of the LORD' and give the impression that such wickedness is totally acceptable to the Lord. Josiah, the good king of Judah, acts in keeping with the evil character of such perverts and pulls down their houses as part of his purge and reform of religious affairs in Judah. It is said of Josiah after he had executed these judgments against all those who sought to defile the pure worship of Jehovah: 'And like unto him was there no king before him, that turned to the LORD with all his heart, and with all his soul, and with all his might, according to all the law of Moses; neither after him arose there any like him,' verse 25.

What he did was not 'homophobic' as such actions would be labelled today!

Physically 'invading' the premises of that which may be termed the 'house of God' and being welcomed by those who are themselves perverters of God's truth, does not sanitise sodomy in the least, any more than did the sitting in the synagogue deliver the man possessed by a devil sanctify him or alter his state. He remained a man in the control of the devil until Christ's intervention. "And there was in their synagogue a man with an unclean spirit; and he cried out, saying, Let us alone; what have we to do with thee, thou Jesus of Nazareth? art thou come to destroy us? I know thee who thou art, the Holy One of God. And Jesus rebuked him, saying, Hold thy peace, and come out of him," Mark 1:23-25.

He knew who Christ was when most if not all in the synagogue did not, but he was still not a Christian but a poor deceived devil-possessed sinner!

There are many 'churches' which welcome sodomites into their midst and accept them as Christians on the basis of what they claim for themselves but, in truth, they are but poor fools possessed by a most evil spirit of rebellion against God and His Word.

SCHOOLS

The promotion of this wickedness has taken the sodomite lobby not just to the precincts of the house of God, but we daily see their influences invading the classrooms of the state education system.

Daily, there is that reported which should arouse professing Christians to hasten to remove their children from state schools but sadly it does not seem to alarm or distress many Christian parents.

While not in any way endorsing what is found in the news media, the briefest search of the internet will turn up innumerable news items highlighting the ludicrous embracing of 'transgenderism' within the education fraternity.

Here is but one example of the promotion of this totally wicked movement.

Children, who come from families which have imbibed the obscenities of modern thought, chiefly through the liberal theology of their apostate 'church minister', will carry into schools this evil virus.

Amongst schools in Australia there have been complaints of young teenagers promoting 'gender change' amongst themselves as the latest 'trendy' thing. Psychiatrist Stephen Stathis is reported as saying, "Children think it's cool to be transgender and they're trying the self-identity out in droves." (See [here](#))

THE UNITED KINGDOM

It has also been reported here in the United Kingdom that, "the number of children being referred to gender identity clinics has quadrupled in the past five years, figures show. Experts have warned that the huge spike is, in part, due to the promotion of transgender issues in schools which they say has encouraged (pupils) to question their identity, and 'sowed confusion' in their minds. . . . A former advisor to the Department for Education, said: 'It has become an industry, people are making a career out of encouraging children to question gender at an age when they need to be left to be children. When teachers raise these issues children can become confused or unhappy and traumatised by it'"

Mr McGovern, who is chair of Campaign for Real Education, added: "In a sense we are imposing adult concerns on children. Schools feel under huge pressures to comply with a politically correct agenda."

Dr Joanna Williams, a university lecturer and author of the book Women vs Feminism, has said that schools are "sowing confusion" in children's minds by over-promoting transgender issues.

She said that feminists were attempting to reshape school policies on gender, adding that children were being forced to 'unlearn' the difference between boys and girls.

"Research suggests that just one per cent of the population experience gender issues. Although the number of transgender children is small, it is growing rapidly," she told the Telegraph Festival of Education last month.

"Children - encouraged by their experiences at school - are beginning to question their gender identity at ever younger ages.

"In doing more than just supporting transgender children, and instead sowing confusion about gender identity, schools do neither boys nor girls any favours."

Dr Williams added that the growing number of young children being referred for gender counselling stemmed from new policies being adopted by schools, adding that schools were now "encouraging even the youngest children to question whether they are really a boy or a girl."

HERE IN ULSTER

Why will not Free Presbyterian parents take heed of these dreadful dangers and act as the Bible commands them? I believe many think that we are somehow immune to such trends. They feel that the presence of some Christian teachers in the state system safeguards their children.

Nothing can be further from the truth! These Christian teachers upon whom many are trusting, are going along with the trends of today and have been doing so for years, for the simple reason that they would lose their jobs if they did not.

Salaries count more with most teachers than the eternal wellbeing of pupils!

CLEAR WARNINGS

The warnings are there for all to see and often repeated on a number of news bulletins each day and appear, for prolonged periods, on the BBC website.

The Burning Bush - Online article archive

Consider this BBC Northern Ireland news headline. "Transgender: NI schools to receive detailed guidelines." Read it for yourself **here**.

This article is proof of the acceptance of the whole ethos of 'transgenderism' within ALL of the Northern Ireland school system! Its opening words state: "The Education Authority (EA) has appointed a steering group to draw up the guidance." The Education Authority" is the body which governs what it is your child, Christian, is taught as true if they attend a state school. It is not the 'Christian' principal or teacher in whom you have so much faith, parent, who decides these matters but the "The Education Authority"!

Please let me know if you hear of ONE principal, Christian or otherwise, resigning rather than endorsing and administering such guidelines!!

Careers will invariably come before the care of your child, Christian. The school classroom which already teaches the ungodly philosophy of 'Evolution' and forbids the teaching of the Bible's account of 'Creation' as part of its curriculum - this but one of the evil, anti-God elements of the modern school syllabus - is now going to promote officially 'transgenderism' as normal human behaviour to be accepted and honoured by all.

What will become of the generation which is subjected to such poison?

Christian, it is MORE than time for you to forsake the church or the school which is infected with this devilish malevolence.
