A WITNESS FROM 20 YEARS AGO THAT EXPOSES THE IRA LIE YET AGAIN!!

An article which appeared in The Burning Bush, February 1998.

IRA planning terrorism before civil rights marches

It is part of the myth accepted by the world regarding the present troubles in Ulster that they arose from the demands of equality by the minority.

It has always been denied by the Protestant people that this was the issue behind the lawlessness and terror, since the Roman Catholic people had the same rights under the law as the Protestant people. Indeed, they often enjoyed greater privileges.

PAPERS

The release of confidential papers by the Irish Republic under its 30 year rule have indicated that the IRA was planning a murderous offensive before the commencement of the civil rights campaign. The papers disclose that in 1965, a courtesy visit by a Royal Navy ship to Cork had to be called off because the Garda, the southern police, uncovered an IRA plan to attack the ship with a bazooka, heavy machines and rifles.

The papers also disclosed IRA plans to attack the Royal Ulster Constabulary with poisoned darts and silences weapons. This was to be followed up with a campaign of "agricultural and industrial sabotage" and the kidnapping of prominent members of the British Government.

How good it is remember that one day God will reveal all the evil and scheming and deceits that have prevailed here in Ulster over the past 30 years.

The above article makes interesting reading today in the light of the recent claims by Sinn Fein MLA, Alex Maskey, as reported in **this Belfast Telegraph news article**.

Maskey seeks to perpetuate the lie which was shown to be such by the release of Irish Government papers some 20 years ago.

The whole Sinn Fein/IRA campaign was born of a lie, was sustained by a lie and now it is being justified by a lie.

"In the day when God shall judge the secrets of men by Jesus Christ according to my gospel," Romans 2:16

"For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil," Ecclesiastes 12:14.
