John Piper prays that God will appoint next Pope!!!

We are thankful to God for the exposing of the ecumenical wolves in sheep's clothing which is taking place at this time.

First it was Rick Warren and now it is John Piper. It is plain that they are among those who have drunk of "the wine of her (the system of antichristianity) fornication," Revelation 17:2, KJV.

The position of the Reformers and orthodox Protestantism on the character of Roman Catholicism is stated plainly in the Westminster Confession of Faith. "There is no other head of the Church but the Lord Jesus Christ: nor can the Pope of Rome in any sense be head thereof; but is that Antichrist, that man of sin and son of perdition, that exalteth himself in the Church against Christ, and all that is called God." Chapter 25, Paragraph VI.

No orthodox Protestant will therefore pray for God in mercy to oversee the election of the man rightly termed "the man of sin and son of perdition, that exalteth himself in the Church against Christ, and all that is called God." It is blasphemously wicked to even think of doing so.

John Piper is revealed in his true light. His heart is linked to Roman antichristianity and he proudly declares it. This is where his ministry would lead those who blindly follow his suavely charming words. He sees the system of popery in an entirely different light from CH Spurgeon.

Here is what CH Spurgeon thought:

"Soon after apostolic times there came the old Roman rubbish, which in the end proved a worse hindrance to the gospel than all the errors which had preceded it.

This Popish rubbish was found in layers; first one doctrinal error, and then another, and then another, and then another, until at this time the errors of the Church of Rome are as countless as the stars, as black as midnight, and as foul as hell.

Her abominations reek in the nostrils of all Christian men. Her idolatries are the scorn of reason and the abhorrence of faith. The iniquities of her practice, and the atrociousness of her doctrine, almost surpass belief.

As the gospel is the masterpiece of God, "Popery" is the masterpiece of Satan!

There can scarcely be imagined anything of devilish craftiness or Satanic wickedness which could be com-

pared with her.

She is the unparalleled queen of iniquity! Behold upon her forehead the name, Mystery, Babylon the great, the mother of harlots and abominations of the earth.

The church of Rome and her teachings are a vast mountain of rubbish covering the truth."
